**ARCHITECT'S OPINION
ON COMPLIANCE WITH BUILDING REGULATIONS**
Reprinted July 2003

[Form for use where a professional architectural service has been provided at the design and construction stages of the Relevant Building or Works]

1. I am a Registered Member of The Royal Institute of the Architects of Ireland, this being a qualification listed in Directive 384/85/EEC of the European Community, retained by^a

.....
.....(hereinafter called "the Employer")

of ^b.....
to furnish an Opinion on the compliance with **Building Regulations** of ^c

.....
.....
.....
[hereinafter called "**the Relevant Building or Works**".]

This opinion is issued solely for the purpose of providing evidence for title purposes of the compliance of the **Relevant Building or Works** with the requirements of the **Building Control Act**. Except insofar as it relates to such compliance it is not a report on the condition or structure of the **Relevant Building or Works**.

2. I have provided the following architectural services in connection with the **Relevant Building or Works**^d

.....
.....
.....

3. DESIGN^e

.....

.....

4. FIRE SAFETY^f

.....
.....
.....

5. COMMENCEMENT^g

.....
.....
.....

6. INSPECTION^h

On^h (“the Inspection Date”) I carried out an **Inspection** of the **Relevant Building or Works** for the purposes of (a) comparing such with its **Design** and (b) establishing its substantial compliance with the **Building Regulations**.

7. CONSTRUCTION

It is the responsibility of those concerned with the construction of the **Relevant Building or Works** to ensure the compliance of such with the **Building Regulations**.

I am of the opinion that i

DEFINITIONS

“Building Control Act”

means the Building Control Act, 1990 and any statutory modification or re-enactment thereof current at the date of the Commencement Notice referred to at Schedule C hereto.

“Building”, “Works”, “Construction” and “Design” have the meanings respectively assigned by the **Building Control Act**.

“Building Regulations”

means regulations made under the **Building Control Act**.

“Confirmations”

means statements received from the persons detailed at Schedule A hereto, confirming substantial compliance of elements of the **Relevant Building or Works** with **Building Regulations**.

“Substantial Compliance” when applied to Design

means that the Design of the **Relevant Building or Works**, is in accordance with the **Building Regulations**, saving and excepting such deviations as would not in my opinion warrant the issue of enforcement proceedings as provided for in the **Building Control Act**.

“Substantial Compliance” when applied to Construction

means that such Construction of the **Relevant Building or Works**, as is evident by Visual Inspection, is in accordance with the **Building Regulations**, saving and excepting such deviations as would not in my opinion warrant the issue of enforcement proceedings as provided for in the **Building Control Act**.

“Visual Inspection” means

[a]
.....
.....

and

[b] the Inspection of the **Relevant Building or Works** as existed on the Inspection Date. For the purposes of the Inspection no opening up was carried out. The inspection was therefore superficial only and took no account of works covered up, inaccessible or otherwise obscured from view.

ADVICE NOTES

(Not to be issued with the opinion)

This Opinion should only be completed when the architect is satisfied that the Relevant Building or Works is in compliance with the requirements of the Building Control Act.

- a Insert the full name of your employer [not his agent].
- b Insert the full address of your employer.
- c Insert a precise description of the building, part of a building, or works to which this Opinion relates. Your description should be sufficiently precise as to ensure exclusion of other works attached to, associated with or otherwise connected to the Relevant Building or Works.
- d Insert a precise description of the services you provided as described in your terms of appointment, as, for example, "Schedule A services of the RIAI Client Architect Agreement for the Provision of Architectural Services – 2002 Edition". Make particular reference to any variation from standard services, especially where this may involve services provided during the course of construction.
- e Confirm by insertion of one of the following phrases, that the Design of the Relevant Building or Works is in substantial compliance with the Building Regulations.

[a] I am of the opinion that the Design of the Relevant Building or Works is in Substantial Compliance with the Building Regulations.

OR

[b] I am of the opinion that the Design of the Relevant Building or Works is in Substantial Compliance with the Building Regulations. I have received Confirmations from those detailed at Schedule A hereto, stating that elements of the Relevant Building or Works which they designed have been designed in Substantial Compliance with the Building Regulations. This Opinion relies solely on those Confirmations in respect of such elements.

- f Confirm by insertion of one of the following phrases, either that a Fire Safety Certificate to be detailed at Schedule B relates to the Relevant Building or Works, or that the Relevant Building or Works qualifies for exemption from the requirements to obtain a Fire Safety Certificate.

[a] I am of the Opinion that the fire Safety Certificate detailed at Schedule B hereto relates to the Relevant Building or Works and was obtained in accordance with the provisions of the Building Control Act and the Building Regulations.

OR

[b] I am of the opinion that the Relevant Building or Works is exempt from any requirement for the making of an application for a Fire Safety Certificate by virtue of its being a building which is proposed to be used as a dwelling (other than a flat).

OR

[c] I am of the opinion that the Relevant Building or Works is exempt from any requirement for the making of an application for a Fire Safety Certificate by virtue of being works commenced or a material change of use made before 1 August 1992.

- g Confirm by insertion of one of the following, either that a Commencement Notice to be detailed a Schedule C was served and insert the date of service, or that the Relevant Building or Works is exempt from the requirement for such notice.

[a] The Commencement Notice, detailed at Schedule "C" hereto relates to the Relevant Buildings or Works and was served as required under the terms of the Building Control Act on (date)

SPECIMEN

OR

[b] I am advised by the Employer that the Commencement Notice detailed at Schedule C hereto and relating to the Relevant Building or Works was served as required under the terms of the Building Control Act on (date)

OR

[c] The Relevant Building or Works is exempt from any requirement requiring the service of a Commencement Notice by virtue of its being exempted development for the purposes of the Local Government (Planning and Development) Acts, 1963 to 1992, and being a class of building or works to which Part III of S.1 305 of 1991 does not apply.

h Insert the date of your inspection on site. The date should not be earlier than the date of practical completion but as soon as practicable thereafter.

i Confirm by insertion of one of the following phrases, that the Construction of the Relevant Building or Works is in Substantial Compliance with the Building Regulations.

[a] ... the Construction of the Relevant Building or Works is in Substantial Compliance with the Building Regulations.

OR

[b] ... the Construction of The Relevant Building or Works is in Substantial Compliance with the Building Regulations. I have received Confirmations from those detailed at Schedule A hereto, that the Relevant Building or Works has been constructed in Substantial Compliance with the Building Regulations. This Opinion relies on Visual Inspection and on those Confirmations.

j Insert at [a] one of the following, describing the inspections carried out during Construction.

[i] Inspections carried out by the architect resident on site during the construction stage, being part of the services described at 2 above.

OR

[ii] Periodic inspections carried out by the architect during the construction stage, being part of the services described at 2 above.

[note: frequent or constant inspection is not part of Standard Services]

k Enter the Contractor/specialist/consultants' details and also the element(s) to which the Confirmation relates.

l Enter the relevant details.

m enter date of issue which should be as close as is practically possible to the inspection date.

n Sign your name in full, state your RIAI membership number, and use your membership stamp in the space provided.
